▶ A11

The main advertisement features a central map of Ningbo in shades of green and blue. A cartoon chef in a yellow and white uniform is on the left, holding a spoon. On the right, a large cartoon character with a wide-open mouth is shown. Below the map, various traditional Ningbo dishes are displayed, including steamed buns, dumplings, fried snacks, and tea. The text is arranged around the map, with a large question mark '有没有你的家乡美食?' in the center.
