Questions about Spring

叶玟泽 (证号 2204775)

Spring is amazing.
I have a lot of questions.
Why is it warm?
Why are the days getting longer?
Why? Why?
Why are there more rain showers?
Why do the birds sing songs?
Why? Why?
Why do the trees bloom?
Why do the bugs appear?
Why? Why?
Why do the swallows fly back?
Why do the tadpoles become frogs?
Why? Why?

Feel the Spring

★ Can you feel the spring?
I will tell you how I feel.
Touch the stream in the hill.
It is not cold.
Smell the flowers in the field.
They are sweet and cute.
Taste the strawberries on the farm.
They are red and yum.
I can feel it everywhere.
Can you feel it here and there?
李雨薇 (证号 2204804)

★ See the spring.
It is raining.
Hear the spring.
Wind is breezing.
Touch the spring.
Grass is smooth.
Smell the spring.
Flowers are blooming.
Taste the spring.
Strawberries are sweet.

★ Breathe the air.
It feels fresh.
Touch the grass.
It feels soft.

The best season in a year!

Spring Time

姜昊祺 (证号 2204790)

Insects all know
Spring time is here.
Butterflies and bees are everywhere.
Roses are red,
Lilies are white.
All fireflies dance in the soft moonlight.
Spring time is here.

Hello, Spring

周玳伊 (证号 2204784)

Goodbye, winter,
Hello, spring.
See the rainbow.
It's colourful.
Touch the stream,
It's cool.
Smell the flowers,
They're sweet.
Feel the sunshine,
It's warm.
Goodbye, winter,
Hello, spring!

Spring

★ It's March now.
Spring is around us.
The weather is getting warmer.

I like to get up earlier.
The flowers are blooming.
I like to see a flower show in the park.
The strawberries are getting sweeter.
I like to pick them and have a taste.
Spring,
The lovely spring!
I like spring best in all the seasons.
周贾雯 (证号 2204785)

★ Can you guess
What is my favorite season?
Butterflies are colorful.
They are busy among the flowers,
So do the other insects.
Snow is bright and cold.
They are melting slowly.
Everything comes to thrive.
Spring is my favourite.
What is your favourite season?
Can you tell me the reason?
张嘉芝 (证号 2001976)

★ The water gets warmer.
And the ducks in the river get more than ever.
The trees are in blossom.
And the bees are gathering more honey.
The vegetables grow up faster.

And the farmers become more happier.
高杉瑶瑾 (证号 2204794)

★ Spring is a great time!
Air is fresh.
Wind breezes.
Flowers bloom.
Plants sprout.
Families enjoy picnics in the sunshine.
Children have fun flying kites.

Spring in My Eyes

★ Spring in my eyes,
Is like a girl.
Shiny and young.
Spring in my eyes,
Is like a painter.
Painting colours everywhere.
Spring in my eyes,
Is like a musician.
Playing beautiful melody.
叶姝含 (证号 2204797)

★ In my eyes,
Spring is like a bee,
Happy and hardworking.
In my eyes,
Spring is like a flower,
Pretty and colourful.
In my eyes,
Spring is like a girl,
Lovely and young.
In my eyes,
Spring is like a boy,
Lively and shiny.
What is spring like in your eyes?
Please tell me now.

About Spring

何鸣浩 (证号 2204806)

Spring is amazing.
I have lots of questions.
Why is it warm?
Why is the grass green?
Why? Why?
Why do swallows fly back?
Why do chicks hatch from the eggs?
Why? Why?
Why do trees blossom?
Why are bees so busy?
Why? Why?
So many questions in my mind.
Looking forward to tell me why.

Spring Comes

黄凯博 (证号 2204795)

Spring comes.
Grass grows.
Birds fly back.
They build nests.
Bees fly,
Among flowers,
For honey and fun.
Children fly kites high,
in the sky,
With laughter around.

When Spring is Back

沙妍延 (证号 2204807)

When Spring is back,
Birds fly back.
They are singing and dancing.
High in the sky.
When Spring is back,
Warmth comes back.
Grass grows and trees blossom.
Pretty everywhere.
When Spring is back,
Schooling is back.
Students are learning new skills.
Smile on their faces.
